Dear Mrs. Manley:

Thank you very much for your letter of June 5th in which we say that you are attempting to set some dates for exhibition games in Trenton. I have had only one colored game so far this season and the same two teams Pittsburgh Crawfords and Brooklyn Brown Dodgers are playing in here June 18th. I believe that the Newark team would draw good crowds here. I am writing today to Mr. W. A. Leuschner who is also interested in booking some games in Trenton and I quoted him the same terms that you have played under in the past and the same terms that the Crawdfords and Brown Dodgers are playing under.

Mr. Harry Breece, one of our leading citizens, is attempting to arrange a promotional day on July 4th in Trenton, (our club is on the road that day), and he asked me to write to you to see if there would be any possibility of a colored baseball game down here in the evening. The plan for the day would be to have a carnival or field event or similiar entertainment in the afternoon and then have in the evening an all colored baseball game or a colored team from Newark or other place come in to play a local industrial league team. If you can suggest a possible club to contact for such an affair or if your own team will be close enough on the 4th to come in for a night game I will highly appreciate it.

Sincere good wishes.

Yours very truly,

Wm. B. McKechnie, Jr.
